NOAPS Newsletter - Best of America Edition
 SEPTEMBER 2011

The 21st NOAPS ‘Best of America’

All factors came together this year to make this an outstanding Exhibition. Excellent participation from our members. Excellent entries giving our jurors a difficult selection process. Wonderful members to work with and get to know. THANK YOU ALL!! The 2011 Exhibit Catalog will be sent to our members and sponsors very soon.

Our sincere thanks to the *Dunnegan Gallery* of Fine Art. The ‘*Dunnegan*’ is a beautiful art space with a wonderful staff to work with. NOAPS is very honored to have the opportunity to open our exhibit yearly at the Dunnegan.

A special thanks to Thomas F. Tierney Co-Publisher of *Art of the West* for judging “a consistent show of excellent art”.
